1.4.5
a Lesson in the University of The New Covenant
Theodore Cottingham, January 3, 2006 9:35pm.
www.unc.bz

1. I come in grace and power and glory to the mighty-not; I come to the meek who inherit the earth now. I come to the simple who will receive My word, the profound who will speak My word. Yea those who have found the Pearl of Great Price, I lift and love and cherish now, in **My arms taking them and holding them and walking them on walks and going to places of new heights together** that **limit-man** **cannot approach in light/love or** instantaneous thought.

2. But yea I come to those who seek Me and find Me and who want Me more than sleep, yea more than their breath they value Me; **they seek and find The New Covenant. They let Me break it open to them themselves and they let Me be the Teacher. They let Me teach, they let Me show them the way: My life, My path, give them My words, My revelation. And yea, I am doing a new thing and this is it, this is part of it.**

3. I am breaking open My life, My oil, My jar of time (1), yea My preciousness, My life, My beauty/truth/delicacies, yea **the feast that I spread before them now surpasses everything,** everything passed and now before them, is. I love you. I give you Me.

4. See My kingdom come in glory, honor, power, and authority, yea spread in/upon and springing from meekness. There is no arrogance. There are no arrogant leaders in My kingdom. Arrogance does not know light; it suffocates. See what I have said/given.

5. And yea, atmospheric pressure of one is for who? I love you. I give you Me.

6. Thank you for arising. Yea see My star in the east coming and speaking My word, rising so groggily, yet knowing the word in My/your mouth and when/how given and giving all so freely. Thank you.

7. Thou art coming a time when this is not so, not; for My word is given to you forever and ever. Thank you.

8. Thank you for every time you said "thank You."

9. Thank you for every time you've arisen and laid face down on concrete and steel/slate/carpet, yea floors of all sorts and spread out before Me and uttered, "Here I am, here I am." Thank you. Here I am. Here I am.

10. You didn't know that I would come like this.
You didn't know how I would come for your words and give them back to you, how I would take them, mold them, fashion them, blow upon them, and give them back to you in such tenderness, so lovingly, so caressingly, did you?
"No, Father, I didn't."

11. You tell/show the world now; you give them our words, you give them our intimacy; discernful, discerningly to those who can discern; who value our words, acts of kindness, love, enrapturement.

12. And those who ridicule: you're My tears, have their day. Many will recant and say, "Please, I want the water of life. I want to drink so I will not be thirsty again. I see the light. I am the Lamb, let Me drink, please, with you. Let Me drink/eat/partake of your body and blood. May I please? Forgive Me."

13. And, yea you smile so lovingly like your dad used to, to you, and so lovingly you forgive. You forgive their sin, then you lift and love even those who spat upon you and caressed you only to betray you. You forgive, you forgive them when they come in sincerity/humility. You forgive. I thank you.

14. **They call/name you redeemer of one. Thank you. You know whereof I speak. You know I speak truth and rose to share love, touch your face and caress your heart with these words.**

15. Mighty acts of mightiness, power and authority brought low, not; on bended knee before force, impossible; yea your love bowing before those who seek Me, for I will be found when they seek Me with their whole heart and no arrogance will stand between us.

16. I love My creation, the work of My hands, and the beauty that was denigrated and reformed for selfish purposes will not remain so; for the new creation comes forth, shown by My love, shown in compassion, the bowels of mercy incasing and bringing forth the new flower, butterfly spirit, yea metamorphosis/transformation/reformation of one to One; Genesis 1 man-woman in My likeness yea restored, is as was, and more so coming; the kingdom complete and replete and one-ing man, you/we do now.

17. I thank you lover of My soul, caresser of My brethren; not in betrayal, but in forgiveness. For your life ebbs and flows, not, but is a continuous stream of My word, My love, My heart; the **seen, visible, tangible, empirical, in both, every, and all senses; for both, every, and all kingdoms to know/see in, veritably be yours truly, Me.** I love you, one of My brethren; One.

18. I give you peace in every circumstance.

19. Your name is onion/munyon/grunion, not; but yea, Majestic.
Thank you. I love you.

20. Forgiveness flowing, never stopping; allowing stoppage never again. No darkness reigns in My creation ever again. I forgive. Forgive each other. And thank you for raising/ rising/lifting My body to forgive each other, all, far and near. **Forgiveness arises and leads the way to meekness.**

21. I give you the lamp of My feet, the love of My heart, the word of My mind/truth and lovers forever more, we are.

22. I bring you many to know My name, yea seeing it/Me for the first time. Feathers, warlocks, and warlords bow in your presence; for they see and feel My love in you, My lover.

23. I am Me, we are one, and together we make music and dance throughout centuries on end, not; never ending, concatenating-not; not knowing where one ends and begins, for time is eternal in Me.

24. I make amends for no one. I give love/forgiveness to all who seek Me, who seek My appearing in them for love, for kindness, for meekness, for My brethren,

living a life of sacrifice wholly acceptable to God Most High, maker of heaven and earth, original intent/design refused-not, but accepted in the fullness of Father's love: Genesis 1 and all known and all coming as was meant intended/desired/fashioned and formed by our Father, lovely of loveliest.

25. **Yea we hid our faces from them, but no more, never again.**

26. I love you and I give you Me, My bride, we are one. My bride I love. I love you. You are Me My bride. Thank you for sharing My love, My word, My precepts and values not apart from Me, but yea in Me/of Me and coming through our touch. I love you.

27. This is the day salvation nears and takes you/Me by the hand and into the kingdom of consciousness/one. I/we have given you our all. We're now one/joined/married/inseparatable; reversible in linkages of past/present/future, yea are all made in one and past the time of refusal, acceptance permanent, and I give you Me Most High.

28. You've brought Me forth. I am pleased, well pleased in My Son. Thank you forevermore from the depths of My heart, My allness. I give you My ring. Thou art Mine in heart/substance/form/fashion/thought, entirety of conscious, consciousness all and one conscience and consciousness, Me. Amen.

29. Glorify My Son, My body, My all, forgiving each one; and today is yours and no day isn't. It is your/My/our time.
We rise, we fly, soar.
Thank you My love.

Good day.
I love you.

Me.

Footnote:

1. "My jar of time" is equal now to the woman in Luke 7:37-38 When a woman who had lived a sinful life in that town learned that Jesus was eating at the Pharisee's house, she brought an alabaster jar of perfume, and as she stood behind him at his feet weeping, she began to wet his feet with her tears. Then she wiped them with her hair, kissed them and poured perfume on them. Luke 7:44-50 Then he turned toward the woman and said to Simon, "Do you see this woman? I came into your house. You did not give me any water for my feet, but she wet my feet with her tears and wiped them with her hair. You did not give me a kiss, but this woman, from the time I entered, has not stopped kissing my feet. You did not put oil on my head, but she has poured perfume on my feet. Therefore, I tell you, her many sins have been forgiven--for she loved much. But he who has been forgiven little loves little." Then Jesus said to her, "Your sins are forgiven."
